

***FROM A DREAM, TO A MISSION, TO A REALITY...  
BECOME A PART OF THE REALITY***

*In 1989 Ali took his dream and began the Javanon club with two teams. It was the beginning of a journey that has led hundreds of players to proudly wear the Javanon name on their shirts.*

*Do you remember the first time your children won a State Championship with their Javanon team? That feeling of pride as they went up to receive their medals, and of course the famous picture in their Javanon uniform in front of the goals with the trophy.*

*Did you know that Javanon Teams have had that State Championship picture taken over 80 times since 1999? It is an amazing tradition that your children helped develop all those years ago through hard work, sacrifice and determination to succeed.*

*It is those very same principles of success that have brought the Javanon club to you today.*

*Our club has a dream...a dream to develop a program that will not only be the best in Kentucky, but one of the best in the country. Our goal is simple: to build an indoor Academy for our teams, a place where they can call home, a place where they can work together with their teammates and improve their skills year round. This indoor facility will serve as the final springboard for our club to build upon the two National Championships we have already won along with countless prestigious regional club tournaments, and serve to inspire hundreds of young players to keep the level of excellence and tradition started all those years ago.*

*Beginning now, we are calling upon every Javanon Alumni, parent, grandparent, friend and supporter to step forward and make this dream a reality. The Dream you see before you is nearly complete. We have more than \$576,000 of the \$820,000 total costs already raised and we are asking you today to please help us reach that final goal. Your generous tax deductible donation of any amount will help shape this club for the future. It is a future that we expect will include many more winning photos just like the ones you treasure.*

*Thank you for your consideration and for everything you and your family have done for our club.*
